PREFACE

This supplement to the 1985-86 Public Accounts of Alberta shows General Revenue Fund expenditure from appropriated funds and revolving funds by payee, for the year ended March 31, 1986.

For the purposes of this supplement, expenditure includes accounts payable at March 31, 1986 paid on or before April 30, 1986.

Expenditure is shown in the following categories with a further breakdown by department:

(a) Manpower,
(b) Grants,
(c) Supplies and services, purchase of fixed assets and other.

All payments made to a payee that exceed a reporting minimum are shown even though individual departmental amounts may be less than that minimum, except that payments made to individuals for social assistance, assured income plan, training allowances, student financial assistance, senior citizen renters' assistance, senior citizen home heating grants, summer farm employment, widows' supplementary benefits, and Heritage Fund mortgage interest reduction program are not reported by payee but are only shown in total.

The reporting levels selected are where the aggregate of payments is:

(a) $1,000 or more for manpower,
(b) $5,000 or more for grants,
(c) $10,000 or more for supplies and services, purchase of fixed assets and other.

In addition to the above, details of salaries, allowances, fees, travelling and miscellaneous payments to or on behalf of Members of the Legislative Assembly and Members of the Executive Council, and payments under the Members of the Legislative Assembly Pension Plan Act are reported by payee.

Details of payments from the Capital Projects Division of the Alberta Heritage Savings Trust Fund, Alberta Petroleum Incentives Program Fund and the School Foundation Program Fund are also reported by payee.
